

## **FESTIVAL REPUBLIC - CAMPERVAN & CARAVAN TERMS & CONDITIONS – LEEDS FESTIVAL. (“Event”).**

Access and use of the campervan/caravan area is provided subject to the following Festival Republic Terms and Conditions (T&C's). Purchasing a campervan/caravan permit constitutes your acceptance of these T&C's.

These T&C's are in addition to the ticket terms and conditions which are provided on the official festival website and linked to from the Ticketmaster purchase pages.

Festival Republic does not permit makeshift campervans/caravans on site at any events. Many won't have sufficient ventilation, water or door separation, and the risk from the gas and fire is an obvious one.

Festival Republic and Department for Transport define campervans/caravans as follows:

- 1) There must be a door that provides access to the living accommodation.
- 2) A bed, which is an integral part of the living quarters which has a minimum length of 1800mm or 6 feet. This can be converted at night from seats used for other purposes during the day but must be permanently fixed within the body of the vehicle.
- 3) There must be a water storage tank or container on or in the vehicle.
- 4) A seating and dining area permanently attached to the vehicle. The table may be detachable but must have some permanent means of attachment to the vehicle. It's not good enough to have a loose table.
- 5) There must be a permanently fixed means of storage, a cupboard, locker or wardrobe.
- 6) There must be a permanently fixed cooking facility within the vehicle powered by gas or electricity.
- 7) There must be at least one window on the side of the accommodation.

You will only be permitted on to the Event site with a campervan that falls within this definition.

## **TICKETS/PASSES**

You will need to purchase a weekend ticket for every occupant of the campervan or caravan. Day ticket holders are not permitted access to the campervan area.

A Campervan Permit is a supplementary pass only, sold per vehicle, which needs to be clearly displayed in the windscreen of your campervan on arrival at the site.

Campervan Passes are priced at £120.00 in advance. They will be more expensive to purchase on the gate if still available.

(See [www.leedsfestival.com/tickets](http://www.leedsfestival.com/tickets) for weekend tickets and tickets for campervans/caravans)

## **ARRIVAL**

- A windscreen routing hanger will be sent to you with your campervan/caravan ticket with travel directions. Please follow these directions as they will get you there quicker than a Sat Nav route.
- Towing vehicles must remain with the campervan/caravans, not parked elsewhere.

- We do not permit sleeping in cars and security will ask you to leave the car park if you do so.
- We do not permit the use of any cylinder stored outside a gas locker over 7kg.
- Cylinders should be stored in the unit's gas locker.
- Gas cylinders must always be transported and secured in a vertical position, as lying them down may cause liquid LPG to escape through the valve and become a large volume of combustible gas.

- Open fires and BBQs are NOT permitted.
